

## 2020 Laundry Vineyard Pinot Noir

**CERTIFICATION:** Organic certified by Ecocert. Suitable for vegans and vegetarians.

**IN THE VINEYARD:**

Variety: 100% Pinot Noir  
Appellation: VQA Lincoln Lakeshore  
Brix at harvest: 23.7 °  
Hand harvested on: Sept. 27, 2020

**IN THE WINERY:**

Whole clusters were manually sorted and 30% by weight went straight to the open top fermenter. The remaining 70% were gently stemmed, leaving many whole berries and allowed to ferment. After pressing the wine was transferred to French oak barrels (30% new) for 10 months of aging. Barrel selection that best represented the Laundry vineyard were blended to create this wine.

Residual Sugar: < 3 g/l  
Alcohol: 13.7%  
TA: 6.1 g/L  
pH: 3.6 g/l  
Closure: Diam5  
Cases produced: 161

**IN THE GLASS:**

A slightly floral start leads to dark cherries and some mushrooms on the nose. Bigger and bolder than it's 2020 Triomphe sibling, this wine shows a rounded palate with the right balance of acid, tannin and oak that would allow for a couple years of cellaring to enjoy later.
