Remaining clusters were destemmed, leaving many whole berries to ferment. The wine was pressed after 18 days maceration time with skins and transferred to a mix of older, neutral French oak barrels for 10 months of aging before bottling with minimal filtration.

Alcohol: 12.5%

Titratable Acidity: 6.0 g/L

pH: 3.6

Residual Sugar: 0.7 g/L

TASTING NOTES

Light and fresh, fruity aromatics lead off the nose on this more restrained vintage for Niagara. Crunchy cherries, cranberry and subtle spice round out the flavours while vibrant acidity is balanced out with moderate levels of silky tannins. A delicate red wine that can be paired with poultry, pork or fish.
