## WINEMAKING NOTES

Harvested from a unique Chardonnay clonal planting in the Lincoln Lakeshore sub-appellation. Grapes were gently pressed using a long and slow press cycle. Settled juice was transferred stainless steel barrels and aged for 10 months on lees before bottling.

## TASTING NOTES

A vibrant, clean, and highly drinkable Chardonnay, with a focus on fresh fruit rather than oak influence. Aromas of stone fruit and orchard fruit: golden delicious apples, pear drop, peach, and some bready biscuit character from time spent on lees. Medium-bodied with refreshing acidity and a creamy, weighty mouthfeel, it leaves a lasting impression on the palate.
